

## MaMLiSE Project Open Day in Poland: Minority and Majority Languages in School Education: Helping Teachers, Pupils and Parents, Poznań, 11<sup>th</sup> March 2023, 9.00-15.00

Venue: Poznań International Fair

Room: 1D Pavilion 15 – event opening;

Room: 1D,1F Pavilion 15 – workshops

### Information about the event:

MaMLiSE project Open Day in Poland: "Majority and minority languages in the school environment: Helping teachers, pupils and parents". The event was aimed at the school community working with pupils with migration experience. The meeting began with an official welcome and introduction of the MaMLiSE project. Then a panel discussion "What does a multicultural school need?" chaired by Izabela Czerniejewska took place. The next part offered a demonstration workshop for teachers working in multicultural schools and a networking meeting for cultural assistants. The meeting was concluded with a brief summary and a proposal for recommendations.
